Re: City Manager Report

COVID-19 (Coronavirus)

Our number of active cases has dropped significantly since our high of 199 in January. As of today's date we are at 52 active cases. We continue to trend well below the median and average numbers per 1,000 population for both cumulative cases and active cases. Additionally, the Glenpool zip code has finally moved out of the red threat level, although we remain right on the upper limit of the orange threat level. We will see how much of a bump we see in the case levels now that the recent winter storm is behind us.

Open Positions

The City currently has positions open in the following departments:

- Public Works: 2 positions
- Fire Department: 2 positions
- Police Department: 2 position
- Finance: 1 position
- Community Development: 1 position

Census Data

The Census Bureau has notified local governments that the redistricting numbers will likely not be ready until late fall of this year. The tell us that we may not have all the data we need for redistricting until the first of 2022.

Legislative Report

I asked Lowell to prepare a report on the legislative bills this session that will affect municipalities. That report is attached. While there are a few bills that could be good for us, like Public Safety Districts, there are several that would be detrimental to cities.

First Legislative Report for 2021

1st Regular Session, 58th Legislature

City Council
March 1, 2021

State Revenues

Legislature will have “an additional” \$1.2 billion to appropriate in drafting the fiscal year 2022 budget. Much of the increase is due to ongoing stimulus and CARES Act money, as well as almost \$1.1 billion in certified funds not previously appropriated. Total funds available for appropriation will be \$9.6 billion. State finance officials credited a 30% increase in revenue from oil and a 12% boost in corporate and personal income tax collections with adding to the rosier than expected revenue picture.

HB 2122, the Oklahoma Cocktails-To-Go Act of 2021; Committee Report – Do Pass

Because of the Covid 19 pandemic, state lawmakers are looking at easing restrictions and amending Oklahoma liquor laws to allow restaurants and caterers to sell to-go cocktails and mixed drinks. This has passed out of the House Alcohol, Tobacco, and Controlled Substances Committee. “To-go” drinks would have to be placed in sealed containers and could only be sold to those 21 years and older. The legislation is a request bill from the Oklahoma Restaurant Association. CTAG thinks this is bad legislation and will monitor it but is not prepared as yet to list it as “Oppose,” because they feel this is not a hill to die on.

HB 1129, the Broadband Low-Income Assistance Program Act: Still in Committee

A new section of law, stating only the concept and purpose to make broadband more nearly universal in order to facilitate emergency communications

HB 1602, the Oklahoma Computer Data Privacy Act: Committee Report – Do Pass

Requires internet technology companies to obtain explicit permission to collect and sell personal data. Proponents see the bill as an opportunity to claw back privacy rights from companies that continue to abuse them. Essentially allows users to “opt out” of cookies without the consequence of losing access to the sponsoring website. The Chamber strongly opposes this bill.

HB 2744, the Tax Exemption Fraud Prevention Act of 2021; Withdrawn from Revenue & Tax Committee

Authorizes the Oklahoma Tax Commission to issue permits to businesses who qualify for the sales for resale tax exemption. To be eligible for this exemption, the purchaser must provide a valid Sale for Resale permit to the vendor they are purchasing from. Every person holding a sales tax permit and wishing to make purchases for resale is required to secure a Sale for Resale permit annually. Each business to be operated must be issued a separate Sale for Resale permit. The permit is not assignable and is only valid for the person to whose name it is issued. It would be unlawful for anyone to claim a sale for resale exemption unless that person has been issued a Sale for Resale permit.

HB 1770, the Bicycle Safety Improvements Act; Committee Report – Do Pass

Amends existing laws to provide for greater safety for people traveling by bicycle. Provides certain rules of operation for bicyclists at traffic-control devices. Also directs bicyclists to use hand and arm signals to indicate turns and stopping. The measure provides that it is considered reckless driving for any person driving a motor vehicle to harass, taunt or maliciously throw an object at or in the direction of any person riding a bicycle, equine or animal drawn vehicle. The bill prohibits the use of a horn when passing a person riding a bicycle, equine or animal drawn vehicle under normal conditions if no danger of a collision exists.

HB 1001, Clarify Scrap Metal Dealers Act; Committee Report – Do Pass

Enumerates the data required to be maintained by a scrap metal dealer. A “recognized” identification card may be used, and a vehicle identification number must be recorded if no license plate is affixed. Also requires a digital image of items purchased and of the seller. Records must be maintained for no less than two years from the date of the transaction. The bill removes separate requirements for recording data about purchases of scrap metal under 35 pounds and of purchases 35 pounds and over. Requires that a seller prove their ownership of a used motor vehicle, trailer or recreational vehicle when selling to a scrap metal dealer. Places any copper wire that is four gauge or larger and any copper wire from which the insulation or coating has been burned or melted, as well as remote storage batteries, under the provisions of the Scrap Metal Dealers Act.

SB 838, the Oklahoma Public Safety Protection District Act; Committee Report – Do Pass

Permits municipalities to initiate creation of a public safety protection district by directing that a resolution be submitted to the registered voters of each municipality. Describes territory of a public safety protection district. Provides for management and budgetary oversight. Declares a public safety protection district to be a political subdivision. Sets out all requirements of election, including payment of cost; stating question to be worded on the ballot; describing eligible voters; providing for conduct of election subject to general election laws; requiring majority of votes cast to establish district; and directing filing of ordinance. Provides for levy of annual assessment on certain property based on assessed value; specifies types of property to be assessed; provides exemptions; provides for a lien against property if assessment is unpaid; states priority of lien; directs specified accounting procedures by certain county officers; directs certain costs be paid from the proceeds of the district; requires interest to be charged on delinquent assessment; and describes process for dissolution of a public safety protection district.

SB 1031, Extends Certain Amendments to the Open Meeting Act Related to Videoconferences of Public Body – Passed and Signed by Governor 02/10/2021

A public body may hold meetings by videoconference where each member of the public body is visible and audible to each other and to the public through a video monitor, subject to the following: 1. No less than a quorum of the public body shall be present in person at the meeting site as posted on the meeting notice and agenda; 2. The meeting notice and agenda shall indicate that the meeting will include videoconferencing locations and shall state: a. the location, address, and telephone number of each available videoconference site, and b. the identity of each member of the public body and the specific site from which each member of the body shall be physically present and participating in the meeting; 3. No member of the public body shall be allowed to participate in the meeting from any location other than the location posted on the agenda in

advance of the meeting; 4. Each site and room where a member of the public body is present for a meeting by videoconference shall be open and accessible to the public, and the public shall be allowed into that site and room; 5. The public shall be allowed to participate and speak in the same manner and to the same extent as the public is allowed to participate or speak at the site of the meeting; 6. Any materials shared electronically between members of the public body, before or during the videoconference, shall also be immediately available to the public in the same form and manner as shared with members of the public body; 7. All votes occurring during any meeting conducted using videoconferencing shall occur and be recorded by roll call vote; 8. No public body shall conduct an executive session by videoconference.

HB 2839, Amends Oklahoma Emergency Act; Withdrawn from Committee

Provides that cities of less than 100,000 population “shall not employ an emergency management director or emergency management staff” but instead are “required to create an agreement with the county for emergency management services.” Eviscerates the law’s requirement that all cities “shall develop, maintain and revise, as necessary, an emergency operations plan for the jurisdiction [which] shall address the emergency management system function of preparedness, response, recovery and mitigation.” Added to CTAG’s monitor and possibly oppose list if it gets out of committee.

SB 403, an Act Relating to Crime and Punishment Which Relates to the Disturbance, Interference or Disruption of State Business; Modifying Entity Inclusions; Committee Report – Do Pass

Under currently existing law, it is already unlawful for:

- Any person, alone or with others and without authorization, to willfully disturb, interfere or disrupt state business, which includes publicly posted meetings, or any agency operations or any employee, agent, official or representative of the state.
- Any person without authority who is causing any disturbance, interference or disruption to willfully refuse to disperse or leave any property, building or structure owned, leased or occupied by state officials or its, employees, agents or representatives or used in any manner to conduct state business.

For purposes of this section, “disturb, interfere or disrupt” means any conduct that is violent, threatening, abusive, obscene, or that jeopardizes the safety of self or others.

This amendment extends both those criminal acts to meetings and activities of political subdivisions. It also imposes the same penalty:

Any violation of this section shall be a misdemeanor punishable by imprisonment in the county jail for a term of not more than one (1) year, by a fine not exceeding One Thousand Dollars (\$1,000.00), or by both such fine and imprisonment.

CTAG supports.

HB 1664, An Act Relating to Public Finance; Withdrawn from County and Muni Government Committee

A new law that provides for certain penalties/consequences for any city or town that reduces its budget for law enforcement functions by 5% or more from the preceding fiscal year:

- No state agency, statewide beneficiary public trust or any other entity created pursuant to state law within the executive branch of state government shall provide any grant or similar funds to such city or town for the fiscal year during which such budget reduction

is being implemented. Any such grant shall be suspended until the city or town restores the funding level for law enforcement to the prior fiscal year level.

- If, as a result of the reduction in city or town police operations budget a county is required to expend additional funds in order to provide law enforcement services within the county, the county may require the city or town to make payment to the county for such expenditures.

These provisions do not apply with a respect to a city or town that can demonstrate either a 5% or greater reduction in revenues available to the city or town for law enforcement expenditures or which can demonstrate a reduction in the budget for its law enforcement programs was required for other legitimate reasons.

HB 2423, an Act Providing Code Lien Foreclosure Procedures for Certain Properties; Committee Report – Do Pass

New law applicable only to tenants of rental properties or other situations where the premises are not occupied by the owner. Provides that any fees, penalties, and abatement costs imposed against a property for violations of a municipality's housing and building codes may be enforced as a lien. The measure excludes owner occupied real property. A municipal code lien would be superior to all other liens except those for taxes. A municipality would be able to proceed with a judicial foreclosure on a property with a municipal lien, by enactment of an ordinance or resolution. A municipality that seeks to enforce a municipal code lien through the sale of real property must utilize the judicial proceedings of this Act as the sole remedy.

Effectively applies the currently applicable statutes/codes pertaining to nuisance abatement to violations of housing and building codes, but it targeted to landlord/tenant relations.

HB 465, An Act Relating to Public Employees' Retirement; Withdrawn from Committee

Amends existing law that relates to military service credit; authorizing certain returning members to purchase years of military service credit.

Any active member of the Oklahoma Public Employees Retirement System whose initial membership in the System began on or after July 1, 2000, may receive up to five years of prior or participating military service credit, upon payment of the amount determined by the Pension Board.

In the event a member of the System purchases less than five years of prior or participating military service credit used to compute retirement benefits and terminates state employment, the member may purchase additional military service credit, up to the limit specified above.

For a member of the System hired on or after July 1, 2003, if the authorized military service credit is used to compute the retirement benefit of the member and the member retires from the System, such military service credit shall not be used to compute the retirement benefit in any other retirement system created pursuant to the Oklahoma Statutes. The member may receive credit for such service only in the retirement system from which the member first retires.

HB 2848, Partisan Municipal Elections and Local Election Restriction Bill

Limits the dates when a municipality can call an election by eliminating numerous election dates. This will interfere with cities' and towns' ability to hold elections for items that are required by statute to be adopted by electors, such as GO bonds, sales tax, union disputes. This will also be especially problematic when a municipality needs to obtain tax revenue or bonds to respond to emergencies or natural disasters. Also mandates that municipal elections be partisan.

- 2) Discussion and possible action to approve Specific Use Permit (**SUP 2020-01**) for a shale mining operation on a 14.42-acre site located north of W. 166 Street South approximately 1,300 feet west of Highway 75, Applicant Excavation Resources; Chad Billingsly, Operator (Gerald Gilbert, Planning Director)
- a. Public Hearing on Application
 - b. Action on Specific Use Permit (**SUP 2020-01**)

Mr. Gilbert presented and recommended Council approval of Specific Use Permit (SUP 2020-01) for a shale mining operation on a 14.42-acre site located north of W. 166 Street South approximately 1,300 feet west of Highway 75. The subject site is a portion of a larger project area (94 acres) that was rezoned from AG (Agricultural) to RS-3 (Single Family High Density) in October of 2005. A subsequent Preliminary Plat (The Lakes at Twin Mounds) was approved by the Commission for the 94 acres in October of 2019 which consisted of 249 residential lots and reserve areas. The proposed mining operation will encumber approximately 14 acres of the overall 94 acres and is situated in the southeastern section of the site.

- Austin Mayes of Olsson spoke on behalf of the applicant

Mayor Fox opened the Public Hearing at **6:56 p.m.**

There were no public comments

Mayor Fox closed the Public Hearing at **6:57 p.m.**

During deliberations, the Council asked if mining operations were underway prior to receiving the SUP approval. Mr. Gilbert responded that based on advice from the City Attorney, the applicant had been allowed to continue mining operations under their State permit while they pursued the necessary SUP approvals from the City.

Moved by Joyce Calvert, seconded by Brandon Kearns

Re: IAFF Legacy Program

Background:

On January 19, 2021, the City Council considered a request from the IAFF to rescind the current nepotism policy so that family members of current fire fighters are eligible to apply and work in the Fire Department. Council heard arguments for and against the request. The item died for lack of motion. Instead, the Council urged the union and administration to work together on a possible Legacy Program for the Fire Department and bring that back before the Council for consideration.

The union contends that they derive a significant benefit from hiring family members which have been raised in the culture and are familiar with the responsibility of fire service. Administration asserts that allowing family members to work together creates unfavorable situations, including potential favoritism during hiring, promotions, or daily work assignments, as well as limiting the possibility that while on command, a fire fighter will be sending his/her relative into a dangerous or life-threatening situation.

Through a series of meetings, the union and city administration have negotiated and developed a Legacy Program which strikes a reasonable compromise. The program provides that members of the IAFF Local 2990 are exempted from the nepotism policy contained within the City of Glenpool Personnel Policies and Employee Handbook, however specific provisions separate family members within the same chain of command by shift, fire station (when applicable) and assigned unit. The same provisions apply to call-back and overtime scenarios. Additionally, members will not be allowed to participate in hiring, promotions, or discipline involving their own family member. Fire Department Standard Operating Guidelines (SOGs) have been modified to reflect each new stipulation.

An addendum to the current Collective Bargaining Agreement has been created to outline the details of the Legacy Program and associated SOGs. SOG amendments for this purpose are found attached and highlighted for easy reference.

Staff Recommendation:

Staff recommends approval of the Addendum to FY 2020-2021 IAFF Local 2990 Collective Bargaining Agreement, effective immediately.

ADDENDUM TO
FY 2020-2021 IAFF LOCAL 2990 COLLECTIVE BARGAINING AGREEMENT

WHEREAS, the City and Union negotiated a Collective Bargaining Agreement for Fiscal Year 2020-2021 which was approved by both entities on March 24, 2020 and which went into effect on July 1, 2020; and

WHEREAS, the City and Union have negotiated for the creation of a Legacy program with the Glenpool Fire Department and desire to enter into an addendum to the current Collective Bargaining Agreement in order to implement said program immediately; and

WHEREAS, the City and Union desire that all terms and conditions of the current Collective Bargaining Agreement, adopted Employee Handbook and current Fire Department SOGs remain in force and effect except for those outlined in this addendum or attached and incorporated herein as references to this addendum; and

WHEREAS, the Union agrees to approve the necessary Fire Department SOG changes as discussed in negotiations and attached to this Addendum and incorporated herein as reference.

NOW THEREFORE, the City and Union agree to incorporate into for the remaining term as defined in, the current Collective Bargaining Agreement the newly created Article XXIV as described herein.

ARTICLE XXIV. LEGACY PROGRAM

Local 2990 recognizes the City's current Personnel Policies and Employee Handbook Nepotism Policy does not allow family members within the third degree of consanguinity or affinity to work in the same department. The City recognizes the family traditions within the fire service and the potential benefit of hiring family members with prior knowledge of operational capability and cultural history who would normally be excluded under the Nepotism Policy within the department. Therefore, firefighter applicants related within the third degree by blood or marriage to members of the Fire Department will be allowed to compete in the applicant testing process for open positions within the Department. This practice shall be entitled the Legacy Program and exempts firefighters from the Nepotism Policy contained in the City of Glenpool Personnel Policies and Employee Handbook.

The City and Union agree that:

1. Legacy personnel shall be separated from familial relations with the chain of command in the following order of priority:

- a. Shift
 - b. Station (upon addition of a second or subsequent fire stations)
 - c. Assigned Unit
2. All call-back and overtime scenarios are required to adhere to these priorities if possible. When not possible, written permission must be obtained from the Fire Chief.
 3. Members of the union will not participate in any disciplinary process for their Legacy.
 4. Members of the union will not participate in any hiring or promotion process which includes their Legacy.

The Legacy Program will be further defined in Fire Department Standard Operating Guidelines as set forth and identified below:

1. CONDUCT 02.00-99, Section 2.13
2. CANDIDATE TESTING 7.00-99, Sections 7.04, 7.05
3. PROMOTIONAL TESTING 10.00-99, Section 10.11
4. STAFFING 22.00-99, Sections 22.04, 22.05

City and Union agree that these references, while inclusive as of the date of the Addendum, may be modified from time to time to include new SOGs. This list is not intended to be exhaustive of all changes to the SOGs that may be needed in the future.

IN WITNESS WHEREOF, the Parties have duly executed this Addendum to the Fiscal Year 2020-2021 IAFF Local 2990 Collective Bargaining Agreement, effective as of the date last executed by either party below.

22.00-99 Staffing

Purpose: To set standards for minimum staffing and encourage a greater level of participation among volunteer members of this organization.

Tour of Duty - A tour of duty (shift) shall be from 07:00 to 07:00 hours. All personnel should report for their tour ready to answer any and all alarms received.

Relieved of Duty - No member shall end their tour of duty until relieved by their respective replacement. In the event of an excused absence on the arriving shift, the company officer shall determine that adequate staffing has been met.

Full Shift - A full shift shall consist of all negotiated members.

Minimum Staffing - Minimum acceptable staffing shall be governed by the current agreement between the City of Glenpool and the I.A.F.F. Local 2990.

Non-compensated supplemental staffing - Volunteer personnel working in conjunction with paid members to add valuable manpower to the existing shift.

Compensated supplemental staffing - Volunteer members working in place of paid personnel for compensation. Volunteer personnel may only fill paid positions in an emergency staff shortage. Compensated supplemental staffing shall only occur when all paid members have refused the opportunity for shift coverage.

Legacy Staff – Members of the fire department related by blood or marriage to within the third degree of consanguinity or affinity

22.00 - Volunteers that are trained to assist paid members may work a tour of duty without compensation. Participation is at the discretion of the chief of the department, upon consultation with the company officer.

22.01 - Volunteers may only fill shift vacancies due to emergency staffing needs for vacations, sick leave, or resignation after all full time personnel have been contacted and refused the opportunity for shift coverage. Part time pay will only be granted when the member assumes the full roles and responsibilities of full time staff. These duties and conditions include meeting minimum certification standards for career shift coverage and compliance with all Standard Operating Guidelines.

22.02 - Prior to compensated shift coverage, prospective part-time personnel must demonstrate the ability to perform station duties. Training under a full-time staff member must be documented and the

member's skill level noted. This training must include at least two twenty-four hour shifts spent with career personnel. Part time personnel are responsible for submitting all necessary time sheets and paper work at the proper time. Compensation will be received on regularly scheduled pay periods.

22.03 - Compensation rate will be consistent with currently negotiated pay scales.

22.04 – Legacy personnel shall be separated from familial relations within the chain of command by the following order of priority:

a. shift first – no family member related by blood or marriage to within the third degree of consanguinity or affinity shall be routinely assigned to the same shift.

b. station second - upon the addition of a second or subsequent fire station, no family member related by blood or marriage to within the third degree of consanguinity or affinity shall be routinely assigned to the same station.

c. assigned unit third – in the event that reasonable accommodations to subsections a and b above cannot be achieved, no family member related by blood or marriage to within the third degree of consanguinity or affinity shall be routinely assigned to the same unit.

22.05 – Covering a shift and call-back

a. Covering a shift - Any divergences relating to 22.04 shall be immediately reported to the Chief's office and will not be allowed without written consent from the Chief (such written consent may be in the form of a text message).

b. Call-back - If, due to exigent circumstances, situations are encountered where adherence to 22.04, are not practical, company officers shall do everything in their power to implement an action plan that will alleviate any perceived or actual perception of nepotism.

MEMORANDUM

TO: HONORABLE MAYOR and CITY COUNCIL

FROM: LYNN BURROW, PE
COMMUNITY DEVELOPMENT DIRECTOR

RE: ACCEPTANCE OF PUBLIC PAVING, GRADING, AND STORM SEWER IMPROVEMENTS SERVING SCISSORTAIL ADDITION: BLOCKS 1 THRU 3.

DATE: MARCH 1, 2021

BACKGROUND

This item is for Council consideration and action regarding the acceptance for ownership certain public paving, grading, and storm sewer improvements constructed to serve Scissortail Addition: Blocks 1 thru 3 located on the north side of 151st Street - east of Elwood Avenue per the attached 'As-Built' construction documents. These public improvements were permitted for construction by the City of Glenpool's Community Development Department and were inspected by City Staff during construction for compliance with the approved construction plans and City design criteria. The attached Maintenance Bond issued by the General Contractor for the Scissortail project (Ira M. Green Construction Company) covers 100% of the total cost of the public improvements in question for the required one-year period from City acceptance. Also included is a copy of the Letter of Credit issued by Summit Properties covering the cost to fully install the paving wearing surface on the off-site public street connection to Mansfield Lane Addition within one year from the date of issuance.

Staff Recommendation:

Staff has reviewed and approved the attached 'As-Built' construction documents, the associated Maintenance Bond, and the Summit Properties Letter of Credit and recommends City acceptance for ownership these public improvements serving Scissortail Addition, Blocks 1 thru 3.

Subject to the terms and conditions hereof, this SLOC shall be honored by the presentment by Beneficiary of a payment request to OCB Attention: Credit Operations Department, on or before the Maturity Date (stated above), in the form of Exhibit A (the "Draft") drawn under this SLOC. If such payment request is received by OCB at or prior to 11:00 a.m. (Central Time) on a business day and provided that the documents so presented conform to the terms and conditions hereof, payment shall be made to Beneficiary of the amount specified, in immediately available funds, not later than 3:00 p.m. (Central Time) on the next succeeding business day. If such payment request is received by OCB after 11:00 a.m. (Central Time) on a business day and provided that the documents so presented conform to the terms and conditions hereof, payment shall be made to Beneficiary of the amount specified, in immediately available funds, not later than 3:00 p.m. (Central Time) on the second business day following receipt by OCB. As used herein "business day" shall mean any Monday, Tuesday, Wednesday, Thursday, or Friday on which OCB is open for business.

The Draft presented for payment must be fully completed and be accompanied by this

SLOC.

Multiple drawings under this SLOC are prohibited. Beneficiary acknowledges that the first Draft presented for payment will represent complete satisfaction of the obligation of OCB under this SLOC, whether or not Customer has met its obligations with respect to the Project. If more than one Draft is presented, only the first properly presented Draft will be honored. Payments made under this SLOC shall be made by wire transfer in accordance with the instructions specified by Beneficiary in the Draft.

This SLOC is irrevocable and may not be transferred or assigned by Beneficiary, except with the express prior written consent of the OCB.

Except as otherwise expressly stated herein, this SLOC and all matters incidental hereto shall be governed by and construed in accordance with the International Standby Practices ("ISP98") International Chamber of Commerce, Publication No. 590 and any revisions thereof, and as to matters not governed by ISP98, shall be governed by and construed in accordance with the laws of the State of Oklahoma (without giving effect to choice of law principles included therein) including, without limitation, the Uniform Commercial Code as adopted by the State of Oklahoma, and applicable laws of the United States of America.

Sincerely,

Oklahoma Capital Bank
