City Clerk

COMMUNITY DEVELOPMENT DIRECTOR'S REPORT

To: Honorable Mayor and Glenpool City Council
From: Lynn Burrow, PE
Community Development Director
Date: September 8, 2020

This report summarizes development improvement related activities within the City of Glenpool, documenting: (1) major public and private projects in the design process; (2) approved projects under construction, (3) current Planning Department items being processed; (4) Building and Field Inspection Department activities, and; (5) Code Enforcement Department cases within the City of Glenpool:

I. CURRENT CITY OF GLENPOOL PUBLIC IMPROVEMENT PROJECTS

A. WARRIOR ROAD REHABILITATION PROJECT: PHASE II

- The second phase of this overall street rehabilitation project was awarded to Dunham's Asphalt Services, Inc at the May 4th City Council meeting and the Contract Agreement signed on May 5th by the City Manager. A formal Notice to Proceed was issued to the Contractor on May 7th, a Pre-Construction meeting was held May 8th, and the actual construction on the project started May 11th. The construction contract has a 75 calendar-day duration from Notice to Proceed thru Substantial Completion. The project was determined to be substantially complete on August 15th. The Contractor has requested 20 additional days be added to the contractual completion date in the form of an official Change Order Request which will be discussed later in this meeting.

B. SANITARY SEWER MAIN RELOCATION PROJECT: ROLLING MEADOWS ADDITION

- This project is located on south xenophon Street along the north boundary of Rolling Meadows Addition and involves the relocation and abandonment of a short portion of an existing 8" ID sanitary sewer main that an exiting residence encroaches upon. The residence involved has experienced sinkholes under the foundation due to foundation repair piers being drilled into the sewer main at some

12205 S. Yukon, Glenpool, OK 74033 OFFICE: 918-322-5409 FAX: 918-209-4641

www.glenpoolonline.com

point in history. The relocation project was awarded to Bret Barnhart Excavating and is approximately 50% complete at this time. Full completion and clean-up is anticipated the week of September 7th – barring adverse weather conditions.

II. CURRENT PRIVATE CONSTRUCTION ACTIVITY WITHIN THE CITY:

A. ELM POINTE II RESIDENTIAL ADDITION: 141ST STREET AND MADISON AVENUE

- Currently, there are sixteen (18) active residential building permits within this addition.

B. BROOKOVER CORNER I & II: COMMERCIAL ADDITION - 151ST STREET & BROADWAY AVENUE

- This commercial project is located along north side of State Highway 67 (151st Street) extending from 151st Street to approximately 148th Street and has been developed and completed under the terms and conditions specified in the TIF District Agreement approved for this project.
- A Sherwin/Williams Paint outlet project is located on a lot created by lot-split action in Block 2 of Brookover Corner Addition: Phase II
- To-date the project improvements for this facility have been fully completed and a corresponding Certificate of Occupancy issued on July 24th.
- The Building Permit covering the Braum's Restaurant facility located at the Southwest corner of the 151st Street and Broadway intersection has been issued and site construction has commenced on the facility.
- The General Contractor on the project indicates an anticipated completion date of January 1st, 2021.

C. GLEN HILLS: BLOCKS 7 THRU 11 (PHASE I): RESIDENTIAL ADDITION - 141ST STREET & IROQUOIS AVENUE

- Currently, there are a total of eighteen (16) residences under construction in this addition in various stages of completion and an additional twenty (20) homes that have been completed and are occupied currently.

D. THE PINES: RESIDENTIAL ADDITION – 141ST STREET & IRONWOOD AVENUE

- Currently, there are six (6) residences under construction in this addition in various stages of completion with four (4) homes fully complete and occupied currently.

E. SCISSORTAIL RESIDENTIAL ADDITION: 151ST STREET & POPLAR STREET

12205 S. Yukon, Glenpool, OK 74033 OFFICE: 918-322-5409 FAX: 918-209-4641

www.glenpoolonline.com

- Site development improvement construction on the Phase I portion of the project started in July, 2019 and is anticipated to be fully complete in September, 2020 with home building starting soon after.

F. PARK 151 ADDITION:

- This commercial development project is located at the northeast corner of State Highway 67 (151st Street) and Elwood Avenue.
- Construction on all seven (7) individual buildings started in October, 2019 and will continue through October, 2020.
- A second phase of this project has been submitted for Planning Commission and City Council review in the coming months.

H. CHICK-FIL-A:

- This Commercial Project in Southwest Crossroads Addition was approved for construction and a Building Permit issued on March 1st, 2020.
- The project's Certificate of Occupancy was issued July 20th and the facility was open for business on July 31st.
- The existing pylon sign erected for this project is above the allowable height and requires a Board of Adjustment variance that is in process. It should be noted that maximum allowable height is 30 feet and the existing sign is above 40 feet.

I. MAMMOTH LUXURY GARAGE CONDOMINIUMS:

- This project is located at the northeast corner of 166th Street and Broadway Avenue on a tract of land being a part of Lot 1, Block 2, South 75 Business Park: Phase III.
- The project consists of the construction of condominium type building structures having a total of 35 individual units to be used for the indoor storage of RV type vehicles – each having integrated living units.
- Currently, the site plan, supporting construction documents for the site improvements, and the related building permits have been approved and issued for construction.
- Site and building construction is underway and is going through the inspection process.

III. CURRENT PLANNING DEPARTMENT & COMMISSION ACTIVITIES:

A. ANNEXATION, RE-ZONING, AND PRELIMINARY SUBDIVISION PLATS

- An application to Annex, Rezone, and subdivide a 3.1-acre site located at the southeast corner of 151st Street and Broadway Street (immediately east of the St Francis Healthcare facility). The proposed rezoning is from AG (Agricultural) to CS

(Commercial Shopping) and is for a future convenience market and gas station.
Applicant | Kum & Go & King of Kings Lutheran Church.

B. SUBDIVISION PLAT APPLICATIONS PENDING REVIEW:

- **PUD 30-A | PRELIMINARY and FINAL SUDIVISION PLAT and FINAL DEVELOPMENT PLAN: REDBUD GLEN:** application for a 25.29 acre residential subdivision located at 149th street along the west side of Elwood Avenue under the development conditions listed in Planned Unit Development (PUD) No.30-A The applicant proposes a single family residential use with private and gated interior streets and various neighborhood amenities. Applicant: Gold Team Realty Group
 - A Major Amendment and revised Preliminary Subdivision Plat was approved by the City Council on August 17, 2020 that added 10 acres to the overall site, which enabled a rearrangement of the drainage ponds and increased the number of lots from 64 to 74.
 - The Final Subdivision Plat is scheduled for review at the September 14, 2020 Planning Commission meeting and by the City Council at the September 21, 2020 Council Meeting for approval.
- **FINAL SUBDIVISION PLAT, GLENPOOL TOWN CENTER**
Application for Preliminary Plat, Glenpool Town Center a 37.57-acre six (6) lot development generally located north of 156th Street South just east of US Hwy. 75 on lands currently zoned CS (commercial shopping) and CG (commercial general). SMC, Muhammad Khan: applicant. Glenpool Industrial Trust Authority: owner
 - 04/13/2020 Preliminary Plat to Planning Commission
 - 05/11/2020 Preliminary Plat approved
 - The Final Subdivision Plat was presented to and approved by the Planning Commission at the July 13th meeting and by the City Council at the July 20th meeting.
- **GLEN HILLS BLOCKS 7-11 - K & S DEVELOPMENT INC.**
A residential development located west of northwest corner of 141st Street and Peoria Avenue containing 20.04 acres (Phase II). The proposed subdivision contains 79 single family residential lots with development standards established and previously approved as part of PUD No. 34.
 - 9/28/18 TAC
 - 10/8/18 PC Preliminary Plat Approved

- TBD | Final Plat Application: Pending
- **PRELIMINARY AND FINAL SUBDIVISION PLAT: SCISSORTAIL, BLOCKS 1 – 3: SUMMIT PROPERTIES, INC.**
A new application was received for both a preliminary and final subdivision plat review and approval for Scissortail Addition, Blocks 1 thru 3, PUD 39, Amendment No. 1, containing 88 single family lots on property zoned PUD 39, Amendment No. 1. The site is generally located north of 151st Street South one quarter mile east of South Elwood Avenue
 - 03/09/2020 Final Plat application tabled by the Planning Commission, applicant to address staff comments.
 - 05/11/2020 Preliminary and Final Plat application for the Scissortail, Blocks 1-3 project was approved by the Planning Commission
 - Applicant submitted documents for dedication of land and easements for infrastructure improvements supporting the development which were approved by the City Council at the July 20th meeting.
- **PRELIMINARY SUBDIVISION PLAT: THE LAKES AT TWIN MOUNDS**
The Lakes at Twin Mounds consists of approximately 94-acres zoned RS-3 (Residential Single Family - high density) and is located west of US Hwy. 75 - immediately south of West 161st Street South (Austin Mayes, Olsson Engineering).
 - 10/14/2019 Planning Commission recommended approval
 - At this time, a Final Subdivision Plat not been submitted to the City for review. The City is working to coordinate with Tulsa County to finalize discussions regarding required street, drainage, and traffic control improvements on 161st Street required to serve the development.
 -
- **PUD 42A & PUD 42B | FINAL DEVELOPMENT PLAN AND PRELIMINARY SUBDIVISION PLAT, SOUTH 75 BUSINESS PARK PHASE III & IV:** application for a 132.8 acre Planned Unit Development, generally located east of South 75 extending from W./E. 161st Street South to W./E. 171st Street South. Applicant proposes a multi-land use business park on lands currently zoned CG (commercial general). Applicant Representative: Erik Enyart, Tanner Consulting LLC.
 - PUD 42 was approved by the City Council on August 17, 2020 and was conditioned to separate the PUD into two separate PUD's (PUD 42A and 42B).

- The review of the revised PUD's are scheduled for the September 14, 2020 Planning Commission meeting and the September 21, 2020 City Council Meeting.
- **SPECIFIC USE PERMIT: GLENPOOL RIDGE SENIOR APARTMENTS:**
Specific Use Permit (SUP2020-06) Glenpool Ridge, Site Plan (SP2020-06) and Variance (BOA-480) for a proposed 76-unit senior living apartment project on a 4.3-acre tract zoned RM-2 (Multi-Family Medium Density). The site under consideration is situated approximately 625 feet southwest of West 161st Street and Highway 75. Applicant: Red-Wood Development INC.

 - Scheduled for the September 14, 2020 Planning Commission Meeting and the September 21, 2020 City Council Meeting.
- **SPECIFIC USE PERMIT: GRANDVIEW HEIGHTS NORTH EXPANSION:**
Specific Use Permit (SUP2020-05) and Site Plan (SP2020-05) for a proposed 120-unit apartment project on a previously platted 6.8-acre tract zoned RM-2 (Multi-Family Medium Density Residential). The site under consideration is located at 12150 South Yukon Avenue. Applicant: Grandview Heights Apartments, LLC.

 - Scheduled for September 14, 2020 Planning Commission meeting and the September 21, 2020 City Council Meeting.
- **SPECIFIC USE PERMIT: SUP2020-07: Specific Use Permit (SUP2020-07)** for a proposed digital reader board sign to be attached to an existing ground sign for the Valley Grove Pecan Farm stand located near the northwest corner of 151st St. and S. Lewis Avenue. Applicant: Douglas Pittman

 - Scheduled for September 14, 2020 Planning Commission meeting and the September 21, 2020 City Council Meeting.

C. SITE PLAN APPLICATIONS PENDING REVIEW:

- **SITE PLAN AND PRELIMINARY SUBDIVISION PLAT - ELWOOD CREEK ADDITION:** A 4.7-acre commercial project situated on the northeast corner of S. Elwood Ave. and E. 151st Street. There will be two buildings totaling approximately 205,000 sf. in building area. The Plat will subdivide the site into two (2) lots. Applicant: TJ Remy

D. LOT SPLITS

- **GLS 250:** A lot Split application request to split a 4.7-acre site into two (2) lots CG. The site is located on 151st Street South and west of South Elwood Avenue. Applicant: Joseph Douglas Griffith

Re: City Manager Report

COVID-19 (Coronavirus)

We are starting to see a slight increase in active cases within Glenpool. We haven't reached the level of active cases we had earlier in the pandemic, but we continue to monitor the situation. Since we started collecting daily data specific to Glenpool back in August, I have included a Glenpool specific chart in this report. You can still see data prior to August for Glenpool in the dataset, but since it wasn't being presented by the State for much of this time it will not chart as well. I have also included two state maps that show infection levels by county based on the Oklahoma State Department of Health Color Coded Risk Phases. The first map is from July 8th and the second from August 27th. These two maps will give you a pictorial view of growth in the risk levels across the state.

Warrior Road

Lynn is providing an update on the Warrior Road Project in his report.

Sale Tax Renewal

I have included below the breakdown of the Keep Glenpool Moving vote by precinct. We had a total of 1,258 votes in this election. While we always hope for more participation in municipal elections, I think this was a good turnout given that it was a single-issue ballot on an election date with very little on it around us. I want to express my appreciation for the FOP, IAFF, Chamber of Commerce for their public endorsement of this vote. I would also like to thank Marvin Manns, who coordinated and purchased the "vote yes" signs. As you are aware the City cannot spend money on vote yes materials and I appreciate Marvin for coordinating the vote yes effort.

Oklahoma Risk Levels - as of July 8, 2020

Risk Levels
 Green - Less than 1.43 cases per 100,000
 Yellow - 1.43 to 14.39 cases per 100,000
 Orange - More than 14.39 Cases per 100,000

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Adair County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Alfalfa County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Atoka County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Beaver County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Beckham County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Blaine County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Bryan County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Caddo County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Canadian County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Carter County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Cherokee County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Choctaw County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Cimarron County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Cleveland County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Coal County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Comanche County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Cotton County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Craig County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Creek County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Custer County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Delaware County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Dewey County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Ellis County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Garfield County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Garvin County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Grady County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Grant County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Greer County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Harmon County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Harper County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Haskell County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Hughes County, OK as of 7/8/2020

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Jackson County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Jefferson County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Johnston County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Kay County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Kingfisher County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Kiowa County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Latimer County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Le Flore County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Lincoln County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Logan County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Love County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Major County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Marshall County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Mayes County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - McClain County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - McCurtain County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - McIntosh County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Murray County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Muskogee County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Noble County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Nowata County, OK as of 7/8/2020

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Okfuskee County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Oklahoma County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Okmulgee County, OK as of 7/8/2020

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Osage County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Ottawa County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Pawnee County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Payne County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Pittsburg County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Pontotoc County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Pottawatomie County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Pushmataha County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Roger Mills County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Rogers County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Seminole County, OK as of 7/8/2020

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Sequoyah County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Stephens County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Texas County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Tillman County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Tulsa County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Wagoner County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Washington County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Washita County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Woods County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Woodward County, OK as of 7/8/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/4/2020.

Oklahoma Risk Levels - as of August 27, 2020

Colors indicate Risk Levels. Details and labels are shown for County.

*If a County resides in a Region that has met one or more of the thresholds listed below that County will be elevated ongoing Risk Level.

1. Region has reached maximum hospital capacity (defined as activation of contracted beds pursuant to state hospital surge plan or 100% of the average of licensed and staffed beds) **AND** at least 50% of contracted hospital beds under surge plan are filled.

OR

2. Average days of statewide PPE on hand and available is < 5 days.

OR

3. Percent of ventilators available is <5% statewide.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Adair County, OK as of 8/27/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/1/2020.

Colors indicate Risk Levels. Details and labels are shown for County.

*If a County resides in a Region that has met one or more of the thresholds listed below that County will be elevated one Risk Level.

1. Region has reached maximum hospital capacity (defined as activation of contracted beds pursuant to state hospital surge plan or 100% of the average of licensed and staffed beds) **AND** at least 50% of contracted hospital beds under surge plan are filled.

OR

2. Average days of statewide PPE on hand and available is < 5 days.

OR

3. Percent of ventilators available is <5% statewide.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Alfalfa County, OK as of 8/27/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/1/2020.

Colors indicate Risk Levels. Details and labels are shown for County.

*If a County resides in a Region that has met one or more of the thresholds listed below that County will be elevated one Risk Level.

1. Region has reached maximum hospital capacity (defined as activation of contracted beds pursuant to state hospital surge plan or 100% of the average of licensed and staffed beds) **AND** at least 50% of contracted hospital beds under surge plan are filled.

OR

2. Average days of statewide PPE on hand and available is < 5 days.

OR

3. Percent of ventilators available is <5% statewide.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Atoka County, OK as of 8/27/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/1/2020.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Kiowa County, OK as of 8/27/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/1/2020.

Colors indicate Risk Levels. Details and labels are shown for County.

*If a County resides in a Region that has met one or more of the thresholds listed below that County will be elevated one Risk Level.

1. Region has reached maximum hospital capacity (defined as activation of contracted beds pursuant to state hospital surge plan or 100% of the average of licensed and staffed beds) **AND** at least 50% of contracted hospital beds under surge plan are filled.

OR

2. Average days of statewide PPE on hand and available is < 5 days.

OR

3. Percent of ventilators available is <5% statewide.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Latimer County, OK as of 8/27/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/1/2020.

Colors indicate Risk Levels. Details and labels are shown for County.

*If a County resides in a Region that has met one or more of the thresholds listed below that County will be elevated one Risk Level.

1. Region has reached maximum hospital capacity (defined as activation of contracted beds pursuant to state hospital surge plan or 100% of the average of licensed and staffed beds) **AND** at least 50% of contracted hospital beds under surge plan are filled.

OR

2. Average days of statewide PPE on hand and available is < 5 days.

OR

3. Percent of ventilators available is <5% statewide.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Le Flore County, OK as of 8/27/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/1/2020.

Colors indicate Risk Levels. Details and labels are shown for County.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Rogers County, OK as of 8/27/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/1/2020.

Colors indicate Risk Levels. Details and labels are shown for County.

*If a County resides in a Region that has met one or more of the thresholds listed below that County will be elevated one Risk Level.

1. Region has reached maximum hospital capacity (defined as activation of contracted beds pursuant to state hospital surge plan or 100% of the average of licensed and staffed beds) **AND** at least 50% of contracted hospital beds under surge plan are filled.

OR

2. Average days of statewide PPE on hand and available is < 5 days.

OR

3. Percent of ventilators available is <5% statewide.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Seminole County, OK as of 8/27/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/1/2020.

Colors indicate Risk Levels. Details and labels are shown for County.

*If a County resides in a Region that has met one or more of the thresholds listed below that County will be elevated one Risk Level.

1. Region has reached maximum hospital capacity (defined as activation of contracted beds pursuant to state hospital surge plan or 100% of the average of licensed and staffed beds) **AND** at least 50% of contracted hospital beds under surge plan are filled.

OR

2. Average days of statewide PPE on hand and available is < 5 days.

OR

3. Percent of ventilators available is <5% statewide.

Case Count by Date of Onset and Estimated Cases per 100,000 Population - Sequoyah County, OK as of 8/27/2020

The above graph displays the number of cases reported for a given county by date of symptom onset or date of test for asymptomatic cases. The circles represent the estimated cases per 100,000 population (US Census 2018est) based on a 7 day average. Colors indicate the risk level (extreme risk levels (> 50) are not displayed). The data is filtered to include dates on or after 3/1/2020.

Colors indicate Risk Levels. Details and labels are shown for County.

- 2) **PUD 42: Preliminary Development Plan, South 75 Business Park**

a. Public Hearing on application

b. Discussion and possible action to approve Preliminary Development Plan for Zoning Map amendment to change land zoned CG (Commercial General) to PUD 42, generally located east of South US Hwy 75 extending from 161st Street S. to 171st Street S, as submitted by Erik Enyart, Tanner Consulting.
(Gerald Gilbert, City Planner)

- Mr. Gilbert presented the Preliminary Development Plan for Zoning Map amendment to change land zoned CG (Commercial General) to PUD 42, generally located east of South US Hwy 75

extending from 161st Street S. to 171st Street S, as submitted by Erik Enyart, Tanner Consulting. The Applicant proposes to amend the zoning to allow for the development of a multi-use development, permitting commercial, light industrial, heavy industrial, and residential land uses, including single and multi-family elderly/retirement housing, life care retirement centers, and/or assisted living facilities. The applicant's request would amend development standards to allow for a flexibility to minimum design standards while granting the applicant land use entitlements beyond what is allowed in CG, including multi-family residential (senior) and industrial projects.

- Mayor Fox opened the Public Hearing at **6:29 pm**.
- There were no public comments.
- Mayor Fox closed the Public Hearing at **6:30 pm**.

Moved by Brandon Kearns, seconded by Joyce Calvert

To approve Preliminary Development Plan for Zoning Map amendment to change land zoned CG (Commercial General) to PUD 42, generally located east of South US Hwy 75 extending from 161st Street S. to 171st Street S.

- 3) **PUD 30C:** Preliminary Development Plan for PUD 30C, a Major Amendment to PUD 30A, *Redbud Glen* Subdivision.

a. Public Hearing on application

b. Discuss and possible action to approve Preliminary Development Plan for PUD 30C, a Major Amendment to PUD 30A, *Redbud Glen* Subdivision to change land zoned PUD 30A and AG (Agricultural) to PUD 30C, generally located north of the northwest corner of South Elwood Street and 151st Street S./Highway 67.
(Gerald Gilbert, City Planner)

- Mr. Gilbert presented the Preliminary Development Plan for PUD 30C, a Major Amendment to PUD 30A, Redbud Glen Subdivision to change land zoned PUD 30A and AG (Agricultural) to PUD 30C, generally located north of the northwest corner of South Elwood Street and 151st Street S./Highway 67. The applicant is requesting a third Major Amendment to PUD 30 which would increase the PUD boundaries by approximately 10 acres. The increase in the PUD boundaries would allow for additional residential lots and re-arrangement of the park area and drainage pond area.
- Mayor Fox opened the Public Hearing at **6:42 p.m.**
- There were no public comments.
- Mayor Fox closed the Public Hearing at **6:42 p.m.**

Moved by Jacqueline Triplett-Lund, seconded by Joyce Calvert

To approve Preliminary Development Plan for PUD 30C, a Major Amendment to PUD 30A, Redbud Glen Subdivision to change land zoned PUD 30A and AG (Agricultural) to PUD 30C, generally located north of the northwest corner of South Elwood Street and 151st Street S./Highway 67.

- 6) Discussion and possible action to approve the Equitable Sharing Agreement and Certification for 2019 and authorize John Gonsalves to electronically submit the report on behalf of the Mayor.

(John Gonsalves, Finance Director)

Mr. Gonsalves presented and recommended Council approval of the Equitable Sharing Agreement and Certification for 2019. The Glenpool Police Department is an active participant in the Federal Equitable Sharing Program, through the U.S. Department of Justice and the U. S. Department of the Treasury. This program shares monetary assets collected during the adjudication of federal crimes in which the Glenpool Police Department assisted. Glenpool is required to submit annual reports which demonstrate how these funds were utilized during the previous year.

To approve the Equitable Sharing Agreement and Certification for 2019 and authorize John Gonsalves to electronically submit the report on behalf of the Mayor.

Motion carried.

J) Adjournment

Mayor Fox declared the meeting adjourned at 7:14 p.m.

To: HONORABLE MAYOR AND CITY COUNCIL
From: Susan White, Assistant City Manager
Date: September 8, 2020
Subject: Annual Financial Statements FYs 2019 & 2020

Background:

It has been customary in recent years for the City to prepare the annual financial statements for the audit. Due in part to changes made at the auditing firm this year, we have experienced some communication challenges which has led to delays in the preparation of the financial statements. The audit can not be completed until the financial statements are ready which prompted staff to query other cities to find out if it is customary for city staff to prepare the statements or to contract with professional accountants. The results proved that it is common for cities to contract assistance for preparation of the financial statements.

Additional benefits to contracting with an accounting firm is the accountability that it brings the City by providing another set of eyes on the accounts, as well as, the time that it frees up for our Finance Director to concentrate on other duties.

Quotes were requested from three accounting firms for this purpose. Staff selected Crawford & Associates, P.C. due to their outstanding reputation among municipal accounting firms and a very similar cost.

Staff sought two quotes from Crawford. One is for assistance to complete the financial statements for fiscal year ending June 30, 2019, and the second is for a review of the financial statements for fiscal year ending June 30, 2020. If approved, FY 2020 financial statements will be prepared by the auditing firm and must be reviewed by a separate entity to meet accounting standards.

Staff Recommendation:

1. Approval to engage Crawford & Associates, P.C. to assist in preparation of fiscal year ending June 30, 2019 Annual Financial Statements, and
2. Approval to engage Crawford & Associates, P.C. to review Annual Financial Statements for fiscal year ending June 30, 2020.

Attachments:

Engagement Letter

September 2, 2020

Ms. Susan White, Assistant City Manager
City of Glenpool
12205 S. Yukon Ave.
Glenpool, OK 74033

Dear Ms. White:

Crawford & Associates, P.C. is pleased that the City of Glenpool (the City) has expressed its confidence in our firm and our state and local government expertise. We look forward to a successful relationship as an integral financial management resource to the City of Glenpool management and governing body.

We are prepared to provide a full range of accounting and consulting services to the City of Glenpool contingent upon approval of your management and/or governing body. The purpose of this engagement letter is to identify the scope of available services from Crawford & Associates, the specific initial services requested at this time, and to confirm the terms, objectives, and limitations of our engagement services.

Scope of Services

The scope of professional services that are available and can be provided to the City of Glenpool are outlined below under the heading *Scope of Available Services*. While this listing includes a range of services available from Crawford & Associates, the specific initial services requested to be provided at the current time are separately identified under the heading *Initial Services Requested*. Any additional services that are available from Crawford & Associates beyond these initially requested services can be provided upon subsequent specific request and agreement.

Scope of Available Services

- Preparation of Annual Financial Statements
- General Accounting and Advisory Assistance
- Budget Preparation and Amendment Assistance
- Capital Asset Records and Accounting Assistance
- Information Technology System Assistance
- Internal Control Policies and Procedures Assistance
- Labor Relations Consulting
- Laws and Regulations Compliance Assistance
- Investigation of Allegations or Concerns
- Tax and Other Regulatory Report Assistance

Initial Services Requested

- Preparation of Annual Financial Statements for the fiscal year ended June 30, 2019
- Review of Annual Financial Statements prepared by auditors for the fiscal year ended June 30, 2020

Services Related to the Preparation of Annual Financial Statements

You have requested that we prepare the annual financial statements of the financial reporting entity of the City of Glenpool, Oklahoma as of and for the year ended June 30, 2019. Such financial statements will include:

- a. Basic Financial Statements, including notes to the financial statements
- b. Required Supplementary Information
- c. Supplementary Information (to the extent management elects to include)
- d. Other Information (to the extent management elects to include)

Crawford & Associates' Responsibilities

The objective of our engagement is to prepare the annual financial statements in accordance with accounting principles generally accepted in the United States of America based on information provided by you. We will conduct our engagement in accordance with Statements on Standards for Accounting and Review Services (SSARSs) promulgated by the Accounting and Review Services Committee of the AICPA and comply with the AICPA's Code of Professional Conduct, including the ethical principles of integrity, objectivity, professional competence, and due care.

We are not required to, and will not, verify the accuracy or completeness of the information you will provide to us for the engagement or otherwise gather evidence for the purpose of expressing an opinion or a conclusion. Accordingly, we will not express an opinion or a conclusion or provide any assurance on the financial statements.

Our engagement cannot be relied upon to identify or disclose any financial statement misstatements, including those caused by fraud or error, or to identify or disclose any wrongdoing within the entity or noncompliance with laws and regulations.

Management Responsibilities

The engagement to be performed is conducted on the basis that management acknowledges and understands that our role is to prepare financial statements in accordance with accounting principles generally accepted in the United States of America. Management has the following overall responsibilities that are fundamental to our undertaking the engagement to prepare your financial statements in accordance with SSARSs:

- a. The selection of accounting principles generally accepted in the United States of America as the financial reporting framework to be applied in the preparation of the financial statements
- b. The prevention and detection of fraud
- c. To ensure that the entity complies with the laws and regulations applicable to its activities
- d. The accuracy and completeness of the records, documents, explanations, and other information, including significant judgments, you provide to us for the engagement to prepare financial statements
- e. To provide us with:
 - i. Documentation, and other related information that is relevant to the preparation and presentation of the financial statements,
 - ii. Additional information that may be requested for the purpose of the preparation of the financial statements, and
 - iii. Unrestricted access to persons within the City of Glenpool, Oklahoma, of whom we determine necessary to communicate.

The financial statements will not be accompanied by a report. However, you agree that the financial statements will clearly indicate that no assurance is provided on them.

Other Requested and Available Services

In conjunction with the other requested and available services (other than the preparation of the annual financial statements) as identified in the Scope of Services section of this letter, Crawford & Associates will be responsible for providing such services upon request in accordance with the applicable professional standards of the AICPA. It is anticipated that most if not all of these other services will be performed in accordance with the standards applicable to consulting services as prescribed by the AICPA.

Crawford & Associates, is not obligated to, but will report or otherwise communicate to management any recommendations, it determines necessary, resulting from the professional services provided.

Management and the governing body will be responsible for establishing the scope of our other professional services to be provided and for providing the necessary resources allocated to the work; such responsibility includes determining the nature, scope, and extent of the services to be performed, providing sufficient appropriation for the estimated cost of these services, providing overall direction and oversight for each service, and reviewing and accepting the results of the work.

Access to Working Papers and Reports

Any working papers prepared by Crawford & Associates in connection with performing the compilation and other professional services are the property of Crawford & Associates. Upon request, copies of any or all working papers and reports that we consider to be nonproprietary will be provided to management. Management may make such copies available to its external auditors and to certain regulators in the exercise of their statutory oversight responsibilities. Such copies may not be made available to any other third party without the prior written consent from Crawford & Associates.

Fees and Costs

Fees and out-of-pocket expenses for this engagement will be billed as the work progresses and payable upon receipt of our invoices. Out-of-pocket expenses include such costs incurred by Crawford & Associates in providing the services including travel, lodging, telecommunications, printing, document reproduction, and the like. Our fees for these services will be billed at our standard hourly rates, as follows, for the individual performing such services based on the actual number of hours of work, including travel time, performed by that individual.

Standard Hourly Rates:

- Firm President \$250
- Shareholders \$165
- Consulting Senior Managers \$150
- Consulting Managers \$125
- Consulting Staff \$110
- Clerical Staff \$45

Because Crawford & Associates has no direct control over the type and amount of services requested by the management or the governing body during the term of this engagement, nor does Crawford & Associates have direct control over the quality of your accounting system or records, potential turnover of your staff, or your staffing levels, resources, or capabilities, it is impractical for us to provide an accurate amount of hours that will be required for the services requested or a not-to-exceed limit on fees and expenses charged. We will rely on you to provide us with a copy of approved purchase orders, containing estimated fees and expenses, monitor the cumulative fees and expenses charged, and notify us if and when the cumulative amount approaches the total appropriated level estimated. You also agree to provide sufficient appropriation for all services requested prior to the services being performed. For purposes of purchase order preparation, we estimate the fees for the services anticipated at this time, as defined in the Scope of Services section of this letter, will approximate \$20,000.

The term of this engagement is a period from the date of acceptance through June 30, 2021. Crawford & Associates may perform additional services upon receipt of a formal request from management or the governing body with terms and conditions that are acceptable to both parties.

The agreements and undertakings contained in this engagement letter, shall survive the completion or termination of this engagement.

Acceptance

Please indicate your acceptance of this agreement by signing in the space provided below and returning this engagement letter to us. A duplicate copy of this engagement letter is provided for your records. We look forward to continuing our professional relationship with the City of Glenpool.

Respectfully submitted and agreed to by,

Frank Crawford
Crawford and Associates, P.C.

Accepted and agreed to for the City of Glenpool:

By: _____

Title: _____

Date: _____

To: HONORABLE MAYOR AND CITY COUNCIL
From: Susan White, Assistant City Manager
Date: September 8, 2020
Subject: Annual Audit FYE 2020

Background:

The City has utilized the services of the same auditing firm for the past several years. As part of our due diligence to ensure we are receiving the best deal, we seek quotes from various firms every few years. We requested quotes from several auditing firms. Arledge & Assoc., P.C. and Hinkle & Company, P.C. each responded. Hinkle offered a better rate, plus they were highly recommended by another city.

Staff Recommendation:

Staff recommends approval of the Engagement Letter with Hinkle & Company, P.C. to conduct the Annual Audit, and to assist in preparation of the Financial Statements for fiscal year ending June 30, 2020.

Engagement Letter

September 3, 2020

City of Glenpool
Attention: Susan White, Assistant City Manager
12205 S Yukon Ave.
Glenpool, OK 74033

You have requested that we audit the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of City of Glenpool (the City), as of JUNE 30, 2020, and for the year then ended and the related notes, which collectively comprise the City's basic financial statements as listed in the table of contents. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. Our audit will be conducted with the objective of our expressing an opinion on each opinion unit applicable to those basic financial statements.

Accounting principles generally accepted in the United States of America, (U.S. GAAP,) as promulgated by the Governmental Accounting Standards Board (GASB) require that [identify the included supplementary information, such as management's discussion and analysis and budgetary comparison information] be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the GASB, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America, (U.S. GAAS). These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation, and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by U.S. GAAP. This RSI will be subjected to certain limited procedures but will not be audited:

- Management's Discussions and Analysis
- Schedule of the City's proportionate share of the net pension liability and Other Post-employment Benefits
- Schedule of the City's contributions
- Budgetary Comparison Schedule
- Notes to the Budgetary Comparison Schedule

5028 E. 101st Street

Tulsa, OK 74137

TEL: 918.492.3388

FAX: 918.492.4443

www.hinklecpas.com

Supplementary information other than RSI will accompany the City's basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and perform certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and additional procedures in accordance with U.S. GAAS. We intend to provide an opinion on the following supplementary information in relation to the basic financial statements as a whole:

- Fiscal Year 2020 Operating Report

Auditor Responsibilities

We will conduct our audit in accordance with U.S. GAAS. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the basic financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the basic financial statements, whether due to fraud or error, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements.

An audit also includes evaluating the appropriateness of accounting policies used, and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the basic financial statements. If appropriate, our procedures will therefore include tests of documentary evidence that support the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of cash, investments, and certain other assets and liabilities by correspondence with creditors and financial institutions. As part of our audit process, we will request written representations from your attorneys, and they may bill you for responding. At the conclusion of our audit, we will also request certain written representations from you about the basic financial statements and related matters.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements (whether caused by errors, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental regulations) may not be detected exists, even though the audit is properly planned and performed in accordance with U.S. GAAS and, if applicable, in accordance with Government Auditing Standards, and/or any state or regulatory audit requirements.

In making our risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the basic financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the basic financial statements that we have identified during the audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any other periods.

We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions on the basic financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

Compliance with Laws and Regulations

As previously discussed, as part of obtaining reasonable assurance about whether the basic financial statements are free of material misstatement, we will perform tests of the City's compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

Management Responsibilities

Our audit will be conducted on the basis that management acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the basic financial statements in accordance with accounting principles generally accepted in the United States of America [*or, the applicable financial reporting framework*];
2. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of basic financial statements that are free from material misstatement, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements; and
3. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the basic financial statements such as records, documentation, and other matters;
 - b. Additional information that we may request from management for the purpose of the audit; and
 - c. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

4. For including the auditor's report in any document containing basic financial statements that indicates that such basic financial statements have been audited by the entity's auditor;
5. For identifying and ensuring that the entity complies with the laws and regulations applicable to its activities;
6. For adjusting the basic financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the current year period(s) under audit are immaterial, both individually and in the aggregate, to the basic financial statements as a whole; and
7. For acceptance of nonattest services, including identifying the proper party to oversee nonattest work;
8. For maintaining adequate records, selecting and applying accounting principles, and safeguarding assets;
9. For informing us of any known or suspected fraud affecting the entity involving management, employees with significant role in internal control and others where fraud could have a material effect on the financials; and
10. For the accuracy and completeness of all information provided.

With regard to the supplementary information referred to above, you acknowledge and understand your responsibility: (a) for the preparation of the supplementary information in accordance with the applicable criteria; (b) to provide us with the appropriate written representations regarding supplementary information; (c) to include our report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information; and (d) to present the supplementary information with the audited basic financial statements, or if the supplementary information will not be presented with the audited basic financial statements, to make the audited basic financial statements readily available to the intended users of the supplementary information no later than the date of issuance by you of the supplementary information and our report thereon.

As part of our audit process, we will request from management, written confirmation concerning representations made to us in connection with the audit.

Reporting

We will issue a written report upon completion of our audit of the City's financial statements. Our report will be addressed to the board of directors of the City's. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

Other

We understand that your employees will prepare all confirmations we request and will locate any documents or support for any other transactions we select for testing.

If you intend to publish or otherwise reproduce the financial statements and make reference to our firm, you agree to provide us with printers' proofs or masters for our review and approval before printing. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

During the course of the engagement, we may communicate with you or your personnel via fax or e-mail, and you should be aware that communication in those mediums contains a risk of misdirected or intercepted communications.

In accordance with the terms and conditions of this agreement, the City shall be responsible for the accuracy and completeness of all data, information and representations provided to us for purposes of this engagement. Because of the importance of oral and written management representations to the effective performance of our services, the City releases and indemnifies our firm and its personnel from any and all claims, liabilities, costs and expenses attributable to any misrepresentation by management and its representatives.

Kirk Vanderslice is the engagement partner for the audit services specified in this letter. His responsibilities include supervising Hinkle & Company, PC's services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report. We will work with your staff to schedule the audit to meet the organization's needs.

Our fees are based on the amount of time required at various levels of responsibility, plus actual out-of-pocket expenses. Invoices will be rendered every two weeks and are payable upon presentation. We estimate that our fee for the audit will be \$25,500 and \$6,500 for assistance in drafting the financials. We will notify you immediately of any circumstances we encounter that could significantly affect this initial fee estimate. Whenever possible, we will attempt to use the City's personnel to assist in the preparation of schedules and analyses of accounts. This effort could substantially reduce our time requirements and facilitate the timely conclusion of the audit.

The audit documentation for this engagement is the property of Hinkle & Company, PC and constitutes confidential information. However, we may be requested to make certain audit documentation available to regulators pursuant to authority given to it by law or regulation, or to peer reviewers. If requested, access to such audit documentation will be provided under the supervision of Hinkle & Company, PC's personnel. Furthermore, upon request, we may provide copies of selected audit documentation to regulators. The regulators may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

During the course of the audit, we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

In addition, you further agree that in the event our firm or any of its employees or agents is called as a witness or requested to provide any information whether oral, written, or electronic in any judicial, quasi-judicial, or administrative hearing or trial regarding information or communications that you have provided to this firm, or any documents and workpapers prepared by Hinkle & Company, PC in accordance with the terms of this agreement, you agree to pay any and all reasonable expenses, including fees and costs for our time at the rates then in effect, as well as any legal or other fees that we incur as a result of such appearance or production of documents.

Please sign and return the attached copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements including our respective responsibilities.

We appreciate the opportunity to be of service to you and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Hinkle & Company, PC

This letter correctly sets forth the understanding of the City.

Date: September 8, 2020
Subject: Annual Financial Statements FYs 2019 & 2020

Background:

It has been customary in recent years for the City to prepare the annual financial statements for the audit. Due in part to changes made at the auditing firm this year, we have experienced some communication challenges which has led to delays in the preparation of the financial statements. The audit can not be completed until the financial statements are ready which prompted staff to query other cities to find out if it is customary for city staff to prepare the statements or to contract with professional accountants. The results proved that it is common for cities to contract assistance for preparation of the financial statements.

Additional benefits to contracting with an accounting firm is the accountability that it brings the City by providing another set of eyes on the accounts, as well as, the time that it frees up for our Finance Director to concentrate on other duties.

Quotes were requested from three accounting firms for this purpose. Staff selected Crawford & Associates, P.C. due to their outstanding reputation among municipal accounting firms and a very similar cost.

Staff sought two quotes from Crawford. One is for assistance to complete the financial statements for fiscal year ending June 30, 2019, and the second is for a review of the financial statements for fiscal year ending June 30, 2020. If approved, FY 2020 financial statements will be prepared by the auditing firm and must be reviewed by a separate entity to meet accounting standards.

Staff Recommendation:

1. Approval to engage Crawford & Associates, P.C. to assist in preparation of fiscal year ending June 30, 2019 Annual Financial Statements, and
2. Approval to engage Crawford & Associates, P.C. to review Annual Financial Statements for fiscal year ending June 30, 2020.

Engagement Letter

September 2, 2020

Ms. Susan White, Assistant City Manager
City of Glenpool
12205 S. Yukon Ave.
Glenpool, OK 74033

Dear Ms. White:

Crawford & Associates, P.C. is pleased that the City of Glenpool (the City) has expressed its confidence in our firm and our state and local government expertise. We look forward to a successful relationship as an integral financial management resource to the City of Glenpool management and governing body.

We are prepared to provide a full range of accounting and consulting services to the City of Glenpool contingent upon approval of your management and/or governing body. The purpose of this engagement letter is to identify the scope of available services from Crawford & Associates, the specific initial services requested at this time, and to confirm the terms, objectives, and limitations of our engagement services.

Scope of Services

The scope of professional services that are available and can be provided to the City of Glenpool are outlined below under the heading *Scope of Available Services*. While this listing includes a range of services available from Crawford & Associates, the specific initial services requested to be provided at the current time are separately identified under the heading *Initial Services Requested*. Any additional services that are available from Crawford & Associates beyond these initially requested services can be provided upon subsequent specific request and agreement.

Scope of Available Services

- Preparation of Annual Financial Statements
- General Accounting and Advisory Assistance
- Budget Preparation and Amendment Assistance
- Capital Asset Records and Accounting Assistance
- Information Technology System Assistance
- Internal Control Policies and Procedures Assistance
- Labor Relations Consulting
- Laws and Regulations Compliance Assistance
- Investigation of Allegations or Concerns
- Tax and Other Regulatory Report Assistance

Initial Services Requested

- Preparation of Annual Financial Statements for the fiscal year ended June 30, 2019
- Review of Annual Financial Statements prepared by auditors for the fiscal year ended June 30, 2020

Services Related to the Preparation of Annual Financial Statements

You have requested that we prepare the annual financial statements of the financial reporting entity of the City of Glenpool, Oklahoma as of and for the year ended June 30, 2019. Such financial statements will include:

- a. Basic Financial Statements, including notes to the financial statements
- b. Required Supplementary Information
- c. Supplementary Information (to the extent management elects to include)
- d. Other Information (to the extent management elects to include)

Crawford & Associates' Responsibilities

The objective of our engagement is to prepare the annual financial statements in accordance with accounting principles generally accepted in the United States of America based on information provided by you. We will conduct our engagement in accordance with Statements on Standards for Accounting and Review Services (SSARSS) promulgated by the Accounting and Review Services Committee of the AICPA and comply with the AICPA's Code of Professional Conduct, including the ethical principles of integrity, objectivity, professional competence, and due care.

We are not required to, and will not, verify the accuracy or completeness of the information you will provide to us for the engagement or otherwise gather evidence for the purpose of expressing an opinion or a conclusion. Accordingly, we will not express an opinion or a conclusion or provide any assurance on the financial statements.

Our engagement cannot be relied upon to identify or disclose any financial statement misstatements, including those caused by fraud or error, or to identify or disclose any wrongdoing within the entity or noncompliance with laws and regulations.

Management Responsibilities

The engagement to be performed is conducted on the basis that management acknowledges and understands that our role is to prepare financial statements in accordance with accounting principles generally accepted in the United States of America. Management has the following overall responsibilities that are fundamental to our undertaking the engagement to prepare your financial statements in accordance with SSARSS:

- a. The selection of accounting principles generally accepted in the United States of America as the financial reporting framework to be applied in the preparation of the financial statements
- b. The prevention and detection of fraud
- c. To ensure that the entity complies with the laws and regulations applicable to its activities
- d. The accuracy and completeness of the records, documents, explanations, and other information, including significant judgments, you provide to us for the engagement to prepare financial statements
- e. To provide us with:
 - i. Documentation, and other related information that is relevant to the preparation and presentation of the financial statements,
 - ii. Additional information that may be requested for the purpose of the preparation of the financial statements, and
 - iii. Unrestricted access to persons within the City of Glenpool, Oklahoma, of whom we determine necessary to communicate.

The financial statements will not be accompanied by a report. However, you agree that the financial statements will clearly indicate that no assurance is provided on them.

Other Requested and Available Services

In conjunction with the other requested and available services (other than the preparation of the annual financial statements) as identified in the Scope of Services section of this letter, Crawford & Associates will be responsible for providing such services upon request in accordance with the applicable professional standards of the AICPA. It is anticipated that most if not all of these other services will be performed in accordance with the standards applicable to consulting services as prescribed by the AICPA.

Crawford & Associates, is not obligated to, but will report or otherwise communicate to management any recommendations, it determines necessary, resulting from the professional services provided.

Management and the governing body will be responsible for establishing the scope of our other professional services to be provided and for providing the necessary resources allocated to the work; such responsibility includes determining the nature, scope, and extent of the services to be performed, providing sufficient appropriation for the estimated cost of these services, providing overall direction and oversight for each service, and reviewing and accepting the results of the work.

Access to Working Papers and Reports

Any working papers prepared by Crawford & Associates in connection with performing the compilation and other professional services are the property of Crawford & Associates. Upon request, copies of any or all working papers and reports that we consider to be nonproprietary will be provided to management. Management may make such copies available to its external auditors and to certain regulators in the exercise of their statutory oversight responsibilities. Such copies may not be made available to any other third party without the prior written consent from Crawford & Associates.

Fees and Costs

Fees and out-of-pocket expenses for this engagement will be billed as the work progresses and payable upon receipt of our invoices. Out-of-pocket expenses include such costs incurred by Crawford & Associates in providing the services including travel, lodging, telecommunications, printing, document reproduction, and the like. Our fees for these services will be billed at our standard hourly rates, as follows, for the individual performing such services based on the actual number of hours of work, including travel time, performed by that individual.

Standard Hourly Rates:

- Firm President \$250
- Shareholders \$165
- Consulting Senior Managers \$150
- Consulting Managers \$125
- Consulting Staff \$110
- Clerical Staff \$45

Because Crawford & Associates has no direct control over the type and amount of services requested by the management or the governing body during the term of this engagement, nor does Crawford & Associates have direct control over the quality of your accounting system or records, potential turnover of your staff, or your staffing levels, resources, or capabilities, it is impractical for us to provide an accurate amount of hours that will be required for the services requested or a not-to-exceed limit on fees and expenses charged. We will rely on you to provide us with a copy of approved purchase orders, containing estimated fees and expenses, monitor the cumulative fees and expenses charged, and notify us if and when the cumulative amount approaches the total appropriated level estimated. You also agree to provide sufficient appropriation for all services requested prior to the services being performed. For purposes of purchase order preparation, we estimate the fees for the services anticipated at this time, as defined in the Scope of Services section of this letter, will approximate \$20,000.

The term of this engagement is a period from the date of acceptance through June 30, 2021. Crawford & Associates may perform additional services upon receipt of a formal request from management or the governing body with terms and conditions that are acceptable to both parties.

The agreements and undertakings contained in this engagement letter, shall survive the completion or termination of this engagement.

Acceptance

Please indicate your acceptance of this agreement by signing in the space provided below and returning this engagement letter to us. A duplicate copy of this engagement letter is provided for your records. We look forward to continuing our professional relationship with the City of Glenpool.

Respectfully submitted and agreed to by,

Frank Crawford

Re: OML Fees

Background:

Attached is the annual service fee invoice from the Oklahoma Municipal League. OML is a statewide organization representing Oklahoma municipalities both large and small. As our statewide organization they provide a number of services that we can utilize as needed. Additionally, they provide representation at the state capital with both the governor's office and the legislature and We believe OML provides beneficial services for our City.

Staff Recommendation:

Staff recommends approval of the OML Annual Service Fees for Fiscal Year 2020-2021 in the amount of \$10,286.96.

MEMORANDUM

TO: HONORABLE MAYOR and CITY COUNCIL

FROM: LYNN BURROW, PE
COMMUNITY DEVELOPMENT DIRECTOR

RE: WARRIOR ROAD REHABILITATION PROJECT PHASE II:
REQUEST FOR CHANGE ORDER NO. 3

DATE: SEPTEMBER 8, 2020

BACKGROUND

This item is for Council consideration and action regarding the approval and acceptance of a Request for Change Order received from Dunham's Asphalt Services in the total amount of \$9,190.00. The proposed Change Order covers the installation of one additional ADA compliant sidewalk ramp at a pedestrian street crossing located on Warrior Road near the existing access drive to the middle school building and the baseball sports complex (See attached photo.). This additional sidewalk ramp is necessary due to the grade difference between the existing sidewalk along the east side of Warrior Road and the newly placed curb line in that location. It should be noted that this change order also will add five (5) calendar days to the project duration.

Staff Recommendation:

Staff has reviewed the requested Change Order and the need for the pedestrian ramp in that location and recommends Council approval of the additional work in an amount not to exceed \$9,190.00 to facilitate the full completion of Phase II of the overall project. Staff is also requesting Council authorization be given to the City Manager to execute the Change order accordingly.
