RE: 141ST STREET CHRISTMAS LIGHTING

DATE: MARCH 16, 2020

BACKGROUND

This item is for Board review, approval, and action regarding a proposal that has been solicited and received from Temple Display, Ltd. detailing the purchase of certain decorative Christmas lighting and fixtures for a total cost of \$13,966.08. The proposed decorative light fixtures are to be installed on the existing street lighting poles located along the south side of 141st Street running between US Highway 75 and Elwood Avenue. These new fixtures are intended to replace the current fixtures that the City has been using during the holiday season for many years. As the Board is aware, the existing fixtures have become dilapidated and are generally in disrepair. The proposed replacement fixtures are larger in size and use LED type lighting which will significantly reduce the amount of repair work, bulb replacements, and operating costs over more conventional incandescent type lighting. The attached product literature illustrates the type of lighted decorative fixtures and associated lighted pole-wrap garland being proposed and the attached mapping illustrates the streetlight locations involved.

Staff Recommendation

Staff recommends approval of the purchase of the specified decorative Christmas lighting as detailed in the proposal from Temple Display, Ltd. in an amount not to exceed \$13,966.08 to be funded as part of the FY 2019/2020 Annual Budget under Item No. 30-6-01-6273: Maintenance. Staff also recommends authorization be given to the City Manager to execute this purchase agreement on behalf of the Glenpool Industrial Authority.

Hi Mandy,

Here is your revised quote with the added two-tone natural branched garland pole wrap. This pole wrap will be wired with C7 LED Lamps and carries the same warranty with the 3-year LED warranty as well. Just let me know if you have any questions.

If you want a quote with the sparkle garland option, just let me know, I can easily send that over as well.

Talk soon!
