RE: WARNING REGARDING OWNER EFT PAYMENTS ON THIS PROJECT

Dear Owner:

ELECTRONIC FUNDS TRANSFER FRAUD ADVISORY; PAYMENT INSTRUCTIONS:

Electronic funds transfer ("EFT") fraud is on the rise. If you receive an email or other message containing EFT transfer instructions on this project, regardless of the purported sender, it is very likely an attempted scam. **Do not follow the instructions and do not respond to the email.** Examples of email scams include messages that appear to be from someone at Crossland Heavy Contractors but are not. For example, the email may be from "heavy_contractors.com" or "heavyc0ntractors.com" rather than "heavycontractors.com". If you have any questions about any email or other message you have received concerning payments on this project, please call our office headquarters in Columbus Kansas and ask to speak directly with Matt Kitchen, Treasury Manager - Office phone: 620-429-1414/Cell: 620-210-2038, or Holly Rhodes, Controller - Cell: 620-762-0928.

Please also advise all of your employees or agents who are or may in the future be involved in making payments on this project of this warning. Any one person on your team who is not aware of this danger could cause payments to be transferred to a scammer. All payments made by any form of EFT, including but not limited to wire transfer or ACH, must be made by using instructions that were provided to you separately prior to or at the time the Project Contract for Construction was executed by you and Crossland Heavy Contractors, Inc. **This information will not change for the duration of the contract unless via change order executed by both parties.**

Because Crossland will expect payments on the Project per the Contract terms regardless of payments made to scammers, you may want to consider this issue in your overall risk management considerations and make sure your insurance products cover any cyber risk to funding this project.

In the event you make project payments by check, please send checks to the following address. **This information will not change for the duration of the contract unless via change order executed by both parties:**

HOURS WORKED EACH DAY

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits.

Public Burden Statement

We estimate that is will take an average of 55 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, U.S. Department of Labor, Room S3502, 200 Constitution Avenue, N.W. RE: WARNING REGARDING OWNER EFT PAYMENTS ON THIS PROJECT

Dear Owner:

ELECTRONIC FUNDS TRANSFER FRAUD ADVISORY; PAYMENT INSTRUCTIONS:

Electronic funds transfer ("EFT") fraud is on the rise. If you receive an email or other message containing EFT transfer instructions on this project, regardless of the purported sender, it is very likely an attempted scam. **Do not follow the instructions and do not respond to the email.** Examples of email scams include messages that appear to be from someone at Crossland Heavy Contractors but are not. For example, the email may be from "heavy_contractors.com" or "heavyc0ntractors.com" rather than "heavycontractors.com". If you have any questions about any email or other message you have received concerning payments on this project, please call our office headquarters in Columbus Kansas and ask to speak directly with Matt Kitchen, Treasury Manager - Office phone: 620-429-1414/Cell: 620-210-2038, or Holly Rhodes, Controller - Cell: 620-762-0928.

Please also advise all of your employees or agents who are or may in the future be involved in making payments on this project of this warning. Any one person on your team who is not aware of this danger could cause payments to be transferred to a scammer. All payments made by any form of EFT, including but not limited to wire transfer or ACH, must be made by using instructions that were provided to you separately prior to or at the time the Project Contract for Construction was executed by you and Crossland Heavy Contractors, Inc. **This information will not change for the duration of the contract unless via change order executed by both parties.**

Because Crossland will expect payments on the Project per the Contract terms regardless of payments made to scammers, you may want to consider this issue in your overall risk management considerations and make sure your insurance products cover any cyber risk to funding this project.

In the event you make project payments by check, please send checks to the following address. **This information will not change for the duration of the contract unless via change order executed by both parties:**
